On the road to a brighter future.

Every child has the right to a brighter future. With your support, **yourtown** can provide the tools needed to achieve this, such as early intervention programs, access to all-hours support, and specialised creative therapies.

When Daemon was diagnosed with autism and selective mutism, **yourtown's** Expressive Therapy program helped him to cope with life. His mum Jess says "The future for Daemon is bright now... he's happy, he's calm... He can speak to people... The work yourtown do is fantastic and it works."

Your generous support helps children like Daemon to have a brighter future.

Thank You
