THANKS TO YOU...

Last financial year we responded to 189,157 contacts to Kids Helpline and provided individual support to a further 17,914 children, young people and families through:

- Counselling and mentoring (Kids Helpline, Parentline, and face-to-face services)
- Parent and family services (young parent programs, community and family mental health programs)
- Education and re-engagement services
- Family refuges that give families temporary homes and/or domestic and family violence support
- Training and employment services
- Aboriginal and Torres Strait Islander Peoples employment and wellbeing initiatives

Without your support and the support we receive across our communities many of these services would not exist.

Thank you for your ongoing support of yourtown, where changing lives could change yours too!

Good Luck in the draw.
