Thank you for helping us answer their call

We are still experiencing an increase in demand for our Kids Helpline service.

Since April, we have recorded 8,500 contacts per week from children and young people seeking support from Kids Helpline. This means a child is still reaching out to us for help, every 70 seconds, every day.

What this continues to highlight to me, is the vital role Kids Helpline already plays in our community, and will continue to play long into the future.

When you buy tickets to win a Prestige Car, you are also making a real impact in changing and saving children's lives.

Thank you so much for your support; we simply couldn't answer their call without you!
