Thank you for believing young people are worth the investment

We know the dream of winning is attractive to our supporters, yet underneath, it is the affirmation people get from collectively being part of something much bigger than any one of us, that has enabled our team to meet the needs of children and young people in our communities over the past 59 years.

The success of our Art Unions has allowed us to build vital services such as Kids Helpline, San Miguel Family Centre and our Domestic and Family Violence refuge. You are changing young lives and creating brighter futures. Thank you for believing young people are worth the investment.

Good luck in the draw,
Tracy Adams | **yourtown** CEO
