"I am so glad we are not taking this next step alone.

When I found out I was able to move into the transitional house,

I felt so relieved. I knew that I was able to take a step towards community but knowing that I would still be closely held and supported by the refuge staff made me feel so much safer."

- Jane*, resident of yourtown's first transitional home.

With your help, we can provide more safe spaces for families escaping violence

On January 28, yourtown officially opened our second purpose-built transitional home - a safe place for families who are ready to leave our Domestic and Family Violence Refuge but lack safe, affordable housing options.

By purchasing a ticket in our Prestige Car Draw, you are helping to provide a safe place for families when they are ready to leave our refuge. Thank you for helping us to continue supporting them as they take their next steps towards independence and recovery from Domestic and Family Violence.

Good luck in the draw.
