## Keeping our kids safe.

National Child Protection Week (4 - 10 September) is a week that shines the spotlight on what we can all do as individuals and communities to promote the safety and wellbeing of children and young people.

At yourtown we strive to protect and empower young people, ensuring that they can live safe and happy lives. Our parenting and youth mentoring programs, and Kids Helpline aim to give young people and families the support they need to keep themselves and their families safe and well.

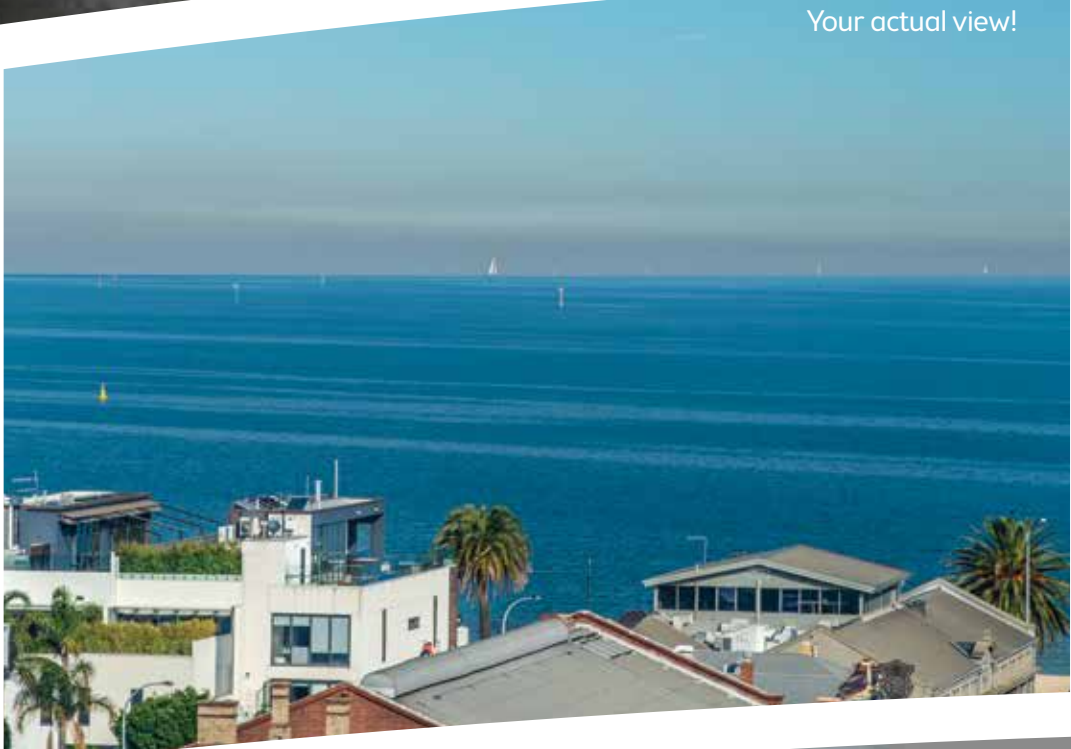

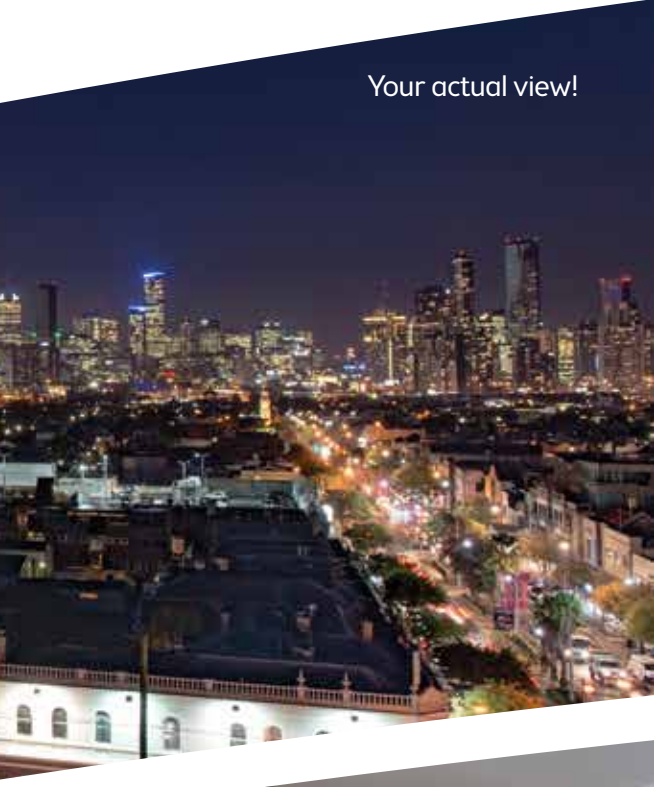

There is also a need to provide crisis support when a child or family requires immediate assistance. We undertake this through our family refuges and Kids Helpline. In 2015, concerns relating to Child Abuse were the number one reason for 'duty of care' interventions carried out by our Kids Helpline counsellors.

Protecting children is everybody's business. By supporting the yourtown prize home, you help fund vital services that protect and empower children.

Together we are part of the solution.

Thank you and good luck.
