### My wish for you

John gave thousands of young people a chance of a brighter future when he gifted this property to yourtown.

John was a very special person who had experienced many hardships in his younger life and wanted to empower young people doing it tough. Each year hundreds of thousands of young people are given help and support through Kids Helpline, hundreds of families facing homelessness or escaping domestic violence are given shelter through our refuges and thousands more young people are supported into employment.

None of the above would be possible without YOUR help and the incredible generosity from special people like John who although is no longer here with us, gave us a gift that will continue to give.
