## Strengthening young families

Raising a child can be a real challenge. Our Young Parents Program aims to help parents and carers aged 14-25 develop the parenting skills needed to maintain the health and wellbeing of their family and build strong relationships. Specialists work with groups of young parents to learn fundamentals such as how to change a nappy, prepare meals and interact with their children.

"Everybody is so welcoming and so comfortable... my baby is just blossoming. It's amazing." New mum Kayla with her daughter.

Thanks to your support of the **yourtown** Prize Home, young parents like Kayla can access the help they need to keep their children safe and well.

Good luck in the draw!
