Somewhere to come home to

Every young person has the right to a brighter future and a place to call home. San Miguel Family Centre is a service of **yourtown** for homeless young families. It provides a place of physical and emotional safety, while helping families to find a house and set a positive new direction for their lives. Each night the centre accommodates up to 15 young parents and 30 children. For young mum Sarah, staying at the San Miguel Family Centre means her daughters have a bed of their own, and "I always have somewhere to come home to." We tackle the issues affecting the lives of young people in Australia. When you buy a ticket in the **yourtown** Prize Home Art Union, you're helping young families like Sarah and her daughters escape homelessness and work towards a brighter future. Good luck in the draw! Tracy Adams **yourtown** CEO
