"I wish for you... hope in your heart for the future"

I've enjoyed reading some inspiring Christmas wishes written by our supporters for young people. I'd like to share one particular message with you:

"I wish for you... hope in your heart for the future, courage to keep on trying... and to know that I care and keep giving to yourtown so they can help you."

When young people are unemployed, homeless or depressed, they can feel helpless. yourtown tackles the issues affecting the lives of young people in Australia. We take the time to listen, understand and encourage them to find their place.

Thanks to the generosity of our Art Union supporters, yourtown is able to work with young people to find jobs, become great parents and live safe happy lives. We teach essential work and life skills, provide opportunities to gain valuable experience and motivate them to keep trying.

As we enter a new year, I'd like to share another message from a supporter because it echoes my wish for you and the young people we serve:

"We hope the New Year will bring you joy and happiness and the opportunity to set in motion the foundation for a very successful future."

Good luck in the draw!
