Every 56 seconds a young person contacts Kids Helpline

Every day counsellors respond to cries for help from children and young people ... "I was not in a good state emotionally, mentally... I was looking for an out." "I didn't want to talk to my friends. I didn't want to see my family. I didn't want to exist." "I can't go back to school, they won't leave me alone. I'm so sick of it."

Kids Helpline has responded to more than 8 million contacts over 27 years. With your support we are here for young people - anytime, any reason.

yourtown Art Unions are the primary source of income for Kids Helpline. Helping change lives could change yours too!

Thank you and good luck in the Draw!
