Your support is providing great outcomes for our young people

yourtown tackles issues such as youth unemployment by delivering services that get results.

We do this by unpacking the challenges a young person might have and find solutions such as self-esteem and confidence building, training and skills development.

23-year-old Tania from Brisbane recently told me "I was supported by yourtown for over 5 months. They worked with me to explore career options and connected me with a job placement as a trainee labourer. My role is terrific. I'm learning new skills and when I finish it, I will have a nationally recognised qualification."

Our holistic youth employment programs are only possible with your support.

When you buy tickets to win this beautiful Prize Home, you are also funding quality employment outcomes for our young people that will help change their lives.

Thank you so much for your support. Who knows, this Prize Home draw might change your life too!
