## Together, we are creating brighter futures in 2020 for our long-term unemployed

In November 2019, **yourtown** jobactive achieved 269 placements, of which 170 (or 63%) were long-term unemployed. To celebrate, the team decided the gold leaves on their office Christmas tree would represent each of those who, for the first time in at least half a decade, would be starting the new year as employed members of our society. We are so proud of their achievements and I hope you are too, because you made this possible. It is only with your support purchasing Art Union tickets that we have the capability to work one-on-one with our young people to address their barriers to employment.

Thank you again for supporting **yourtown** - where changing lives could change your tool!
