It's a WIN for you and a WIN for the young people you support.

**Your ticket helps young people!**

Every 69 seconds a young person reaches out to Kids Helpline for support.

No matter how big or small the problem, your support means we are there. To listen, understand and encourage on issues ranging from everyday topics like family, friends, and school, to more serious issues of child abuse, bullying, mental health, self-harm, suicide as well as drug and alcohol abuse.

That's why **yourtown** is focused on setting a new standard for supporting young people in ways that work for them. When a young person makes that difficult decision to reach out, we aim to break down the barriers to getting the help they need.

Together we can expand the ways young people can reach us, increase our services, and meet young people where they are when they need us.

Good luck in the draw!
